Appendix V

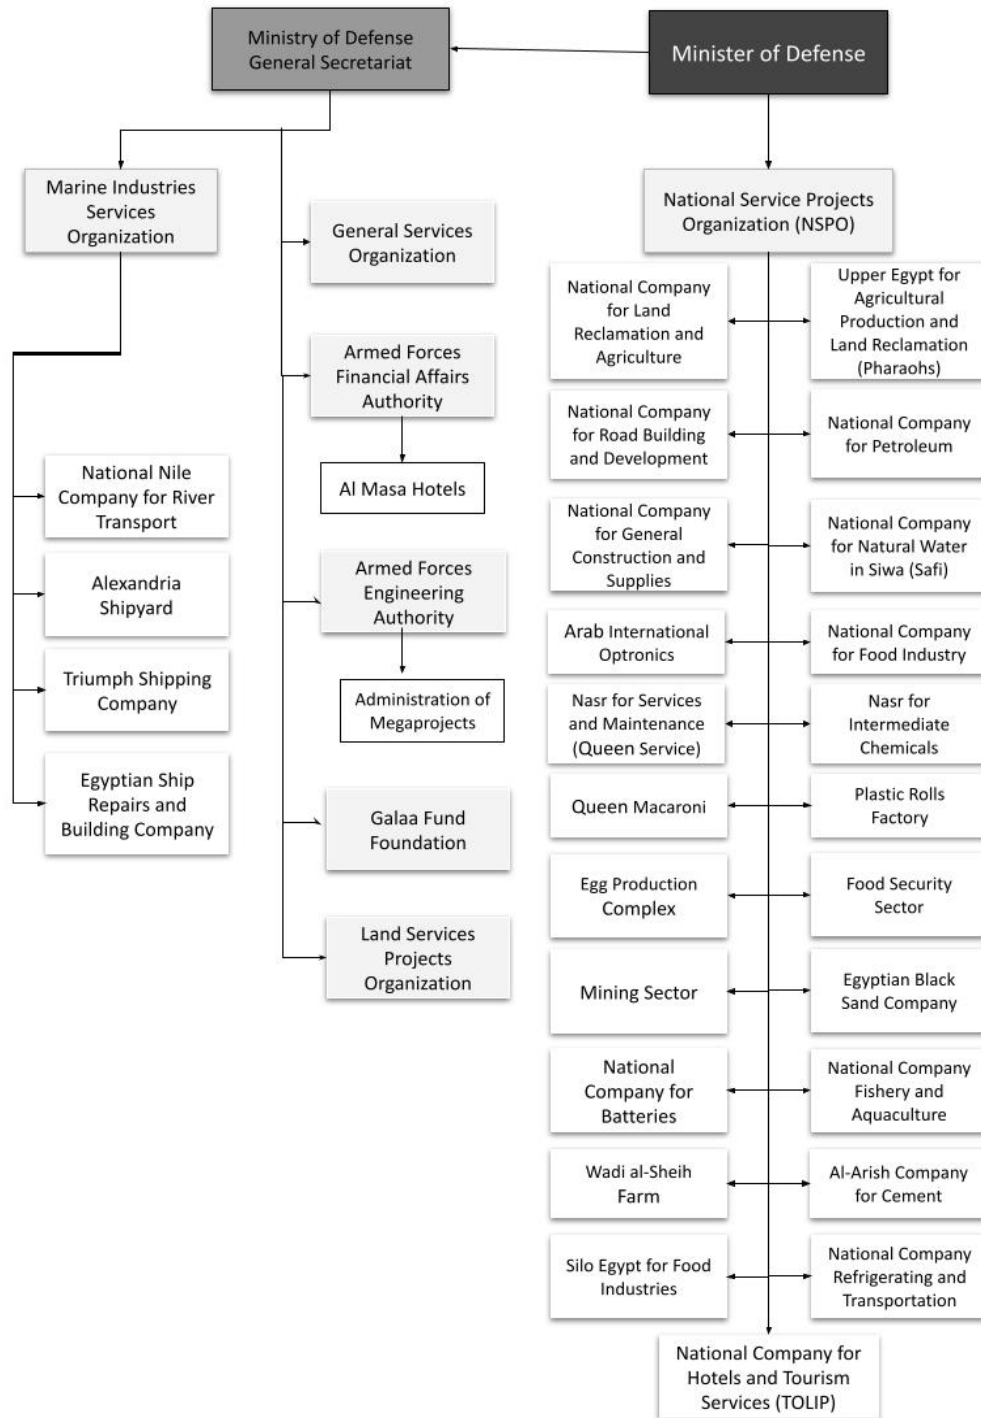

Military Colleges and Academies

On 26 March 2026, Sisi issued a decree bringing the Military Technical College under the Egyptian Military Academy, a move finalized after the book had already gone to print. Dotted lines denote indirect, non-hierarchical links between the Armed Forces College of Medicine and the Military Medical Academy.

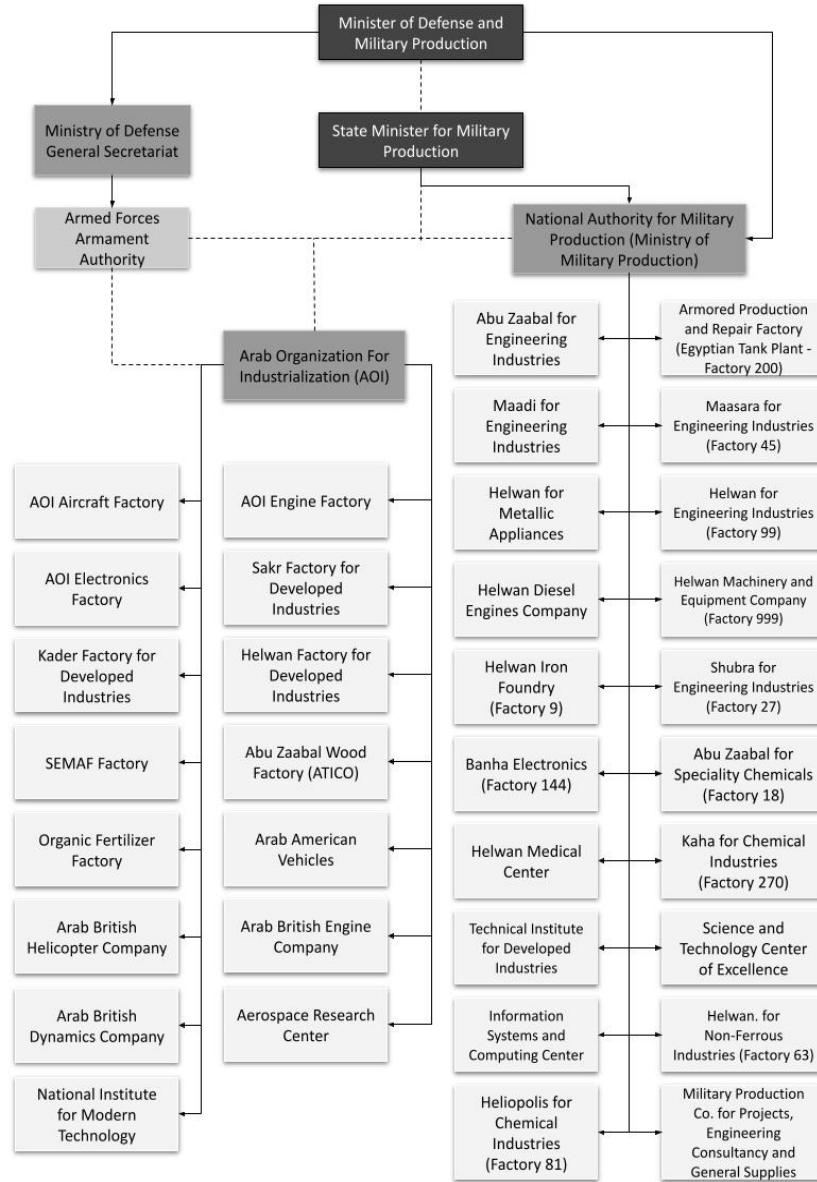

Appendix VI

Military-Economic Complex Enablers I

Appendix VII

Military-Economic Complex Enablers II

The dotted lines represent indirect, not hierarchical, relations. For example, the AOI is officially an “independent” entity, yet it is effectively linked to the Ministry of Defense/Military Production, working in liaison with the Armed Forces Armament Authority and the National Authority for Military Production.
