Dear Workers of Misr Spinning and Weaving,

This is a message of support from Glasgow in Scotland,

I wish you all luck, and every success in your efforts for better treatment,

In'sh'allah, you will be successful,

Sincerely,

Michael Mooney

Dear Fellow Workers

This letter is to express our solidarity for the striking workers of Mahalla and their supporters, the Kafr el-Dawwar workers. We have heard about your strikes over the last year and hope that your occupation of the factory brings you success in your aims. Please keep us informed of any developments and any practical solidarity required.

In solidarity and anarcho-syndicalist greetings,

Richard Cleminson, International Secretary, Solidarity Federation-International  
Workers' Association,
